1. Kurt Eigenbrodt, Jr., of Frankfurt-Nied, an authorized representative of Hans Ulrich Rudel, is at present seeking a suitable job for the latter in case he returns to Germany in the near future. A "suitable job" is one which would permit Rudel considerable free time to engage in political activity.
2. Leading executives of the Opel automobile works have allegedly shown interest in hiring Rudel, but difficulties have been encountered because of Opel's connection with General Motors. Negotiations are also in progress with the Borgwald automobile firm.
